This is the text from Dr. True Ott's power point presentation.  
There are 44 slides in this presentation, including the Title above.

## **UNPRECEDENTED FEAR-BASED RHETORIC**

- "Made for TV Movie" depicting millions of deaths, and hospitals over-run with sick.
  - Talk show "guest experts" explain the coming catastrophe and its economic devastation.
  - Mike Leavitt's Health and Human Service Department (HHS) receives \$4 BILLION DOLLARS to "Prepare" for the "Inevitable Pandemic".

## **SHOULD AMERICA BE CONCERNED??**

- Fear, PANIC, and "Terror" are largely caused by ignorance. Once a topic is completely UNDERSTOOD – there is much less anxiety.
  - This Presentation is primarily designed to explain the BIRD FLU with LOGIC in order to help reduce Fear.
  - I would submit that the individuals who have CREATED THE PANDEMIC THREAT are the REAL DANGER facing America today.

## **What Exactly is the “Bird Flu”?**

- The “Bird Flu” is a slang term given to a specific strain of influenza virus – specifically “H5N1” virus unique to birds.
- Virologists have long determined that normally, “H5N1” is unique only to BIRDS, and is found naturally in most wild bird populations with zero mortality and is not typically passed on to humans.
- Only when bird populations become overstressed due to massive contamination of environment or over-population does the cellular TERRAIN of the flock change, causing the virus to become dangerous or lethal to birds. When a bird dies, the virus evolves into a parasite helping to decompose the bird’s flesh. This is when “mutations” are most likely to occur.

slide #5

---

## **So, Why all the HYPE?**

- THE ONLY WAY THAT THE H5N1 BIRD INFLUENZA VIRUS CAN BECOME LETHAL TO HUMANS IS PROLIFERATION OF MUTATIONS BECAUSE OF SPECIFIC ENVIRONMENTAL TOXINS!!!
- These “mutations” would never occur naturally --- keep in mind that the “H5N1” virus is one of over 1500 naturally benign viruses which are part of nature’s life cycle. H5N1 has been a part of planet earth for many thousands of years without causing human deaths!!!!

slide #6

---

## **What About other “Pandemics”?**

- Just like other “host-specific” viruses such as the H5N1 Avian flu, Humans have seasonal influenza viruses as well. These viruses are designed to help the human immune system stay vibrant and healthy.
- Once again, only when outside pathogens are introduced, do these viral organisms “mutate” into deadly toxins.

## **The TRUTH about the 1918 “Pandemic”**

- Between 1900 and 1912, researchers funded by John D. Rockefeller began mass vaccination campaigns. Primarily aimed at smallpox, vaccination injections eventually evolved into influenza injections as well.
- In 1914, “The Great War” begins in Europe.
- U.S. enters WWI in early 1917 as President Wilson declares war on Germany following the sinking of the Lusitania. U.S. “Training Bases” are established in Spain.

## **America Mobilizes for War Effort**

- In the spring/summer of 1917, America goes into full production of War material. American men are drafted into military service and deployed for training in Spain
- ALL NEW RECRUITS ARE GIVEN MANDATORY VACCINATIONS --- One of which is broad-spectrum INFLUENZA VACCINATION.
- Rockefeller makes millions in vaccine sales while consolidating STANDARD OIL contracts Worldwide.

slide #9

---

## **Influenza “Pandemic” Begins at Spanish Training Bases - 1918**

- Following mass vaccine injections, U.S. soldiers are crowded into troop ships and sent to “train” in Spain. Seasick and stressed soldiers aged 18-34 exhibit influenza symptoms on the voyage.
- Immediately after arriving in Spain, U.S. soldiers are trained for the various forms of GAS they will experience in the trenches in France.
- Exposure to these toxic chemical gasses cause the live-cell influenza cells injected into the soldiers to MUTATE into an extremely lethal form of virus.
- Millions of young, healthy men and women aged 18-34 die worldwide as a result of VACCINATIONS combined with UN-NATURAL CHEMICAL EXPOSURE.

## **Germany is Defeated!**

Following the end of “The Great War” – The heads of the various multi-national banks met in conference at San Remo in 1924 to place war reparations on Germany. John D. Rockefeller and the Rothschild families greatly consolidated their wealth at this time. (They funded both sides of the war.) Soon after, Rockefeller officially formed a French Oil conglomerate on March 28, 1924 and named it “Total” and it was, very literally, the “French Company of Petroleum” aka CFP. Rockefeller’s TOTAL was then awarded a controlling interest (Deutsche Bank’s stock) in the Turkish Petroleum Company located in Baghdad (renamed eventually the IRAQ PETROLEUM COMPANY which was eventually confiscated and nationalized by Saddam Hussein in 1990.) Today, TOTAL Inc. is a true multi-national mega-corporation. TOTAL operates in more than 130 countries and has over 110,000 employees. Not surprisingly, two of TOTAL’s prime, wholly-owned subsidiaries are the Pharmaceutical giants - Sanofi-Aventis, and Sanofi-Pasteur - world-leaders in the development and testing of EXPERIMENTAL VACCINES manufacturing primarily in CHINA !!!

## **What is Causing the H5N1 Virus to Infect Humans?**

- ALL HUMAN CASES OF H5N1 HAVE OCCURRED IN AREAS OF THE WORLD WHERE BIRDS ARE IN ABNORMALLY LARGE CONCENTRATIONS (such as factory farms) --- AND WHERE RESIDUE OF TOXIC CHEMICALS ARE CONCENTRATED IN HIGH AMOUNTS!!!!
- Examples: Mainland China's Factory Poultry Farms, and Vietnam --- specifically where thousands of gallons of Monsanto chemicals such as Agent Orange were massively dumped following the Vietnamese War!

slide #14

---

---

## **Good News vs. Bad News**

- GOOD NEWS: Influenza Viruses soon revert to their benign state within 2 years of mutations if left to nature's design. Fortunately, this is exactly what happened with the 1918 mutated "Spanish Flu".
- BAD NEWS: Modern bio-science now has computers to map and track the specific viral "genome sequence" in order to "Customize" a virus for military use. This is today called a "Biological Weapon".

slide #15

---

---

## **SOOOO--- WHY ALL THE HYPE?**

- Keep in mind the TRUTH about the "Bird-Flu". To date, there have only been around 300 human cases identified WORLDWIDE, with only 120 deaths. There are 6.7 Billion humans on planet earth. This equates to a statistical infection rate of .00000004215 percent. In other words, statistically speaking, you are over 100,000 times more likely to be hit by lightning in your home than to contract the "Bird Flu" --- unless of course there is an ESOTERIC (hidden) AGENDA working here.
- Why, then, is Mike Leavitt's HHS and the Bush Administration spending BILLIONS of Dollars preparing each of the 50 States for the "INEVITABLE BIRD-FLU PANDEMIC"??? The possible answer may SHOCK you!

slide #16

---

## **“Bird-Flu” Timeline Analyzed**

- In order to answer the “Why” question, one needs to analyze the sequence of events leading to the “Bird-Flu” hype.
- March 1997: Zero “Bird-Flu” – no confirmed “H5N1” human cases anywhere. The U.S. Armed Forces Institute of Pathology based in Rockville, Maryland at Ft. Detrick (i.e. the research center for biological weaponry) commissions one Dr. Jeffery Taubenberger to lead a research team to ISOLATE the 1918 Flu Virus’ genetic code. Why? This strain of influenza virus is arguably the most lethal germ in terms of mortality percentages vs. infection ---- far more deadly than smallpox and much cleaner than weapons-grade anthrax for use as a potent “biological weapon”.

slide #17

---

---

### **Timeline Continued**

- Aug. 24, 1997 – Brevig, Alaska. Research Team member Johan Hultin sends remarkably well-preserved 1918 flu virus specimens from a frozen body killed by the 1918 flu, to Dr. Taubenberger's lab in Maryland. Days later, Taubenberger detects the genetic fragments he was searching for.
- The virus' RNA-based gene fragments were analyzed by computer sequencing in order to reveal the COMPLETE GENETIC CODE. Even with a super-computer, this code sequencing will take years to complete.

slide #18

---

---

### **Timeline Continued**

- October, 2003 --- Taubenberger's team finally deciphers the deadly virus' entire genetic code – completing a 6 year project. Noted virologist and Taubenberger colleague R.G. Webster publishes article in American Scientist Magazine declaring: "The world is teetering on the edge of a flu pandemic that could kill a large fraction of the human population".
- June, 2005– At the Rockefeller-controlled Mount Sinai School of Medicine in New York, Taubenberger works with Peter Palese and Adolfo Garcia-Sastro to create plasmids, or DNA rings – thus permanently "stabilizing" the virus for use as a biological weapon ---- the final step in revitalizing a very deadly pathogen. The press is told this is only to be used as a "vaccination tool" – even though the disease is currently non-existent.

slide #19

---

---

## Timeline

- August, 2005 --- The Team inserts plasmids into human kidney cells which then transfers human DNA into the virus making it “human specific”. The deadly 1918 virus that killed millions, and nature reversed its deadly nature, is now ready for use by conspiring men.
- Sept. 9, 2005 ---- The United Nations in New York City issues a shocking world-wide press release. They introduce David Nabarro as the “UN System Senior Coordinator for Avian, Human Influenza”.
- Sept. 29, 2005 --- Fear and Panic begins when Nabarro issues an “Official U.N. Warning” that “an outbreak of ‘avian influenza’ would kill between 5 million and 150 million people on each continent.”

## Timeline

- Oct. 2005 Pres. Bush’s newly appointed secretary of Health and Human Services, Mike O. Leavitt of Utah begins Pandemic Bird Flu preparations in earnest.
- Dec. 2005 – Bush solicits Congress for \$7.1 Billion to fund “preparations” --- \$3.3 billion is immediately allocated to Leavitt. The HHS “candy store” is officially open for business.
- Jan. 2006 – Leavitt launches website – pandemicflu.gov Here he declares: “Let me be clear. It is only a matter of time before we discover H5N1 in America. The migration patterns of the wild fowl that carry the virus makes it appearance here almost inevitable!”
- Jan. 2006 – The Chinese host the “International Pledging Conference on Avian and Human Influenza” in Beijing. The purpose? China extracts massive sums of money from the west --- Leavitt commits \$334 million in funds to aid China’s research into “vaccine development”.

slide #21

---

---

## Timeline

- Mar. 2006 – In an unprecedented move, Leavitt’s HHS allocates funds to a private television network and a “made-for-TV” movie is produced on the “bird flu”. Leavitt jokes that he wants “the handsomest actor” to play his character. (Keep in mind that as governor of Utah, Leavitt strongly promoted Chinese business interests, meeting often with Chinese delegations visiting SLC.)
- Mar. 2006 – Leavitt declares on HHS website (Just as John D. Rockefeller declared in 1916): “The best defense against influenza is VACCINATION.” He further declares: “The current U.S. capacity for manufacturing egg-based vaccines is not sufficient to supply OUR ENTIRE POPULATION. HHS is supporting research into [human kidney] cell-based vaccine manufacture of producing vaccine domestically. In April, 2005, HHS announced a \$97 million contract for the development of cell-based flu vaccine.” Chillingly, Leavitt then declares: “The FDA can use its Emergency Use Authorization authority to permit the use of unapproved products if there’s a reasonable belief the products may be effective”.

slide #22

---

---

## Timeline

- April 17, 2007 --- The Food and Drug Administration (FDA) branch of Leavitt’s HHS Bureau utilizes its Emergency Use Authorization authority and awards a license to produce H5N1 “Bird Flu” vaccines to Sanofi-Pasteur. The approval letter states: “We have approved your Biologics License Application (BLA) for Influenza Virus Vaccine, H5N1, effective this date. You are hereby authorized to introduce or deliver for introduction into interstate commerce, Influenza Virus Vaccine, H5N1, under your existing Department of Health and Human Services U.S. License No. 1725; however, we acknowledge your statement provided in your submission of April 5, 2007, that Sanofi Pasteur Inc. does not intend to license this product for commercial distribution, since it was produced under contract to the U.S. Department of Health and Human Services as part of national pandemic preparedness initiatives. Influenza Virus Vaccine, H5N1, is indicated for active immunization of persons 18 through 64 years of age at increased risk of exposure to the H5N1 influenza virus subtype contained in the vaccine.”

slide #23

---

---

## **Timeline**

- Nov. 26, 2007 --- Leavitt and the HHS ordered 100 million H5N1 “vaccines” from Sanofi-Pasteur. Expected delivery date, August, 2008. Sanofi-Pasteur issues a press release announcing the very lucrative contract (100 million vaccines X \$15 USD) and declares that the cell-based vaccine will be mass produced in the company’s CHINA facility – then shipped to Stillwater, PA for hypodermic syringe-friendly packaging. All of this done WITHOUT HUMAN OR ANIMAL TESTING!!!
- Jan. 2008 – Covert ‘human trials’ of Sanofi-Pasteur H5N1 vaccines are conducted on 350 homeless vagrants in Poland. According to London Examiner article, this results in 21 “instant” deaths and over 200 severely incapacitated or hospitalized showing that the “cure” may be much worse than the disease itself.

## **The China Connection**

- Mainland China has long been a “safe haven” for international bankers such as Rothschild. Since the 1880’s, it has also been the primary site of pharmaceutical drug manufacturing. Wikipedia states: “The involvement of many foreign pharmacy enterprises operating in China can be dated back to a century ago. Bayer of Germany, began trade with China in as early as 1882 before it became I.G. Farben. Hest, known as Aventis, sold its products through 128 distribution agents across China in 1887, becoming China’s No.1 Western medicine and dyeing provider. The US Eli Lilly & Co. opened its first overseas representative office in China’s Shanghai in 1918. ICI, the predecessor of the world’s No 3 pharmacy enterprise AstraZeneca, began trade with China in 1898, and still maintained its old-time office by the Huangpu River in Shanghai.
- As of 2007, there are 1,800 foreign-funded pharmaceutical enterprises in China! In Latin, Pharmacy literally means SORCERY!

## **The China Connection**

- China was occupied by the Japanese during WWII. Following the surrender of Japan – two opposing forces struggled for political control of China --- Communist forces under Mao Zedong (financed by Marxist/Leninist wall-street “Zionist” international bankers including Rockefeller/Rothschild) soundly defeated forces for freedom and democracy under Chiang Kai-shek – who eventually was exiled to the Island of Formosa, known today as Taiwan.
- The model of the “New World Order” promulgated by modern “Zionists” is nothing short of the communist model outlined by one Karl Mordecai – who later changed his surname to MARX. Marx declared that eventually, Marxism would rule the entire world.

## **The China Connection**

- According to dissidents such as Harry Wu, et. al. China uses mass PRISON LABOR in their various factories that churn out goods for sale in America. This includes pharmaceutical factories. The end result is relatively cheap goods that displaces American factories and makes people like Sam Walton’s WalMart Inc. fabulously wealthy.
- China’s human rights record is dismal to say the least. Today, individuals are sentenced to labor prison for posting politically incorrect e-mails to friends or family.
- Question: IS AMERICA CLOSER TO CHINESE-BRAND TOTALITARIANISM SINCE SEPTEMBER 11??

slide #27

---

---

## **The China Connection**

- International “Zionist-Communists” Desire a “NEW WORLD ORDER” that they dominate. The REPUBLIC of America cannot co-exist with such a diseased mindset. They know this, so America must be “cleansed” before it’s conquered. How can this best be done? Would not a “natural” pandemic that sickens and kills HALF of the American population be a perfect 1st step in their Godless plan?

## Zionist “Blueprints” For NWO

A message consisting of a set of ten guidelines or principles is engraved on the Georgia Guidestones in eight different languages, one language on each face of the four large upright stones. Moving clockwise around the structure from due north, these languages are: English, Spanish, Swahili, Hindi, Hebrew, Arabic, Ancient Chinese, and Russian. The message in English reads:

- Maintain humanity under 500,000,000 in perpetual balance with nature
- Guide reproduction wisely - improving fitness and diversity.
- Unite humanity with a living new language.
- Rule passion - faith - tradition - and all things with tempered reason.
- Protect people and nations with fair laws and just courts.
- Let all nations rule internally resolving external disputes in a one world court
- Avoid petty laws and useless officials.
- Balance personal rights with social duties.
- Prize truth - beauty - love - seeking harmony with the infinite.
- Be not a cancer on the earth - Leave room for nature - Leave room for nature.

slide #30

## **The China Connection**

- Notice the Zionist's #1 OBJECTIVE is to reduce the Earth's Population from its current 6.7 Billion to just 500 million.
- Just exactly HOW are these wise humanitarian leaders going to accomplish this amazingly decadent goal?
- Would they hesitate to use a well-documented biological agent such as the 1918 pandemic influenza virus to achieve their desire for rule?
- Would they seek to camouflage their newly resurrected 1918 virus "super-biological weapon" and blame it on an emergent "bird-flu" when it is deployed?
- Would they use their Chinese lackeys to initiate the plot, just as they used them to build intercontinental rail-roads in America??

## **The China Connection SPEAKS**

- The following is the actual text of a speech delivered in December, 2005 by Comrade Chi Haotian – the Vice-Chairman of China's Military Commission to top officers and generals. Keep in mind that China has for many years advocated deceitful and covert warfare against its enemies. This is their Modus Operandi. There should be little question that a "Bird Flu" Pandemic would deeply excite them. (Don't forget how they have poisoned thousands of American pets and knowingly placed lead paints on toddler's toys.)

slide #32

---

---

## **China Speaks**

- “Comrades, I’m very excited today, because the large-scale online survey sina.com that was done for us showed that our next generation is quite promising and our Party’s cause will be carried on. In answering the question, “Will you shoot at women, children and prisoners of war,” more than 80 per cent of the respondents answered in the affirmative, exceeding by far our expectations.
- Today I’d like to focus on why we asked sina.com to conduct this online survey among our people. My speech today is a sequel to my speech last time, during which I started with a discussion of the issue of the three islands [Taiwan, Diaoyu Islands and the Spratley Islands --- Ott] and mentioned that 20 years of the idyllic theme of ‘peace and development’ had come to an end, and concluded that modernization under the saber is the only option for China’s next phase. I also mentioned we have a vital stake overseas.

---

## **China Speaks**

- The central issue of this survey appears to be whether one should shoot at women, children and prisoners of war, but its real significance goes far beyond that. Ostensibly, our intention is mainly to figure out what the Chinese people's attitude towards war is: If these future soldiers do not hesitate to kill even non-combatants, they'll naturally be doubly ready and ruthless in killing combatants. Therefore, the responses to the survey questions may reflect the general attitude people have towards war.....We wanted to know: If China's global development will necessitate massive deaths in enemy countries, will our people endorse that scenario? Will they be for or against it?
- The fact is, our 'development' refers to the great revitalization of the Chinese nation, which, of course, is not limited to the land we have now but also includes the whole world. As everybody knows, according to the views propagated by the Western scholars, humanity as a whole originated from one single mother in Africa. Therefore no race can claim racial superiority. However, according to the research conducted by most Chinese scholars, the Chinese are different from other races on earth. We did not originate in Africa. Instead, we originated independently in the land of China. Therefore, we can rightfully assert that we are the product of cultural roots of more than a million years, civilization and progress of more than ten thousand years, an ancient nation of five thousand years, and a single Chinese entity of two thousand years. This is the Chinese nation that calls itself 'descendants of Yan and Huang.'

---

## **China Speaks**

- During our long history, our people have disseminated throughout the Americas and the regions along the Pacific Rim, and they became Indians in the Americas and the East Asian ethnic groups in the South Pacific. We all know that on account of our national superiority, during the thriving and prosperous Tang Dynasty our civilization was at the peak of the world. We were the centre of the world civilization, and no other civilization in the world was comparable to ours. Later on, because of our complacency, narrow-mindedness, and the self-enclosure of our own country, we were surpassed by Western civilization, and the centre of the world shifted to the West.
- In reviewing history, one may ask: Will the centre of the world civilization shift back to China? Actually, Comrade Liu Huaqing made similar points in early 1980's Based on an historical analysis, he pointed out that the centre of world civilization is shifting. It shifted from the East to Western Europe and later to the United States; now it is shifting back to the East. Therefore, if we refer to the 19th Century as the British Century and the 20th century as the American Century, then the 21st Century will be the Chinese Century!! (Wild applause fills the auditorium.)

---

## **China Speaks**

- Our Chinese people are wiser than the Germans because, fundamentally, our race is superior to theirs. As a result, we have a longer history, more people, and larger land area. On this basis, our ancestors left us with the two most essential heritages, which are atheism and great unity. It was Confucius, the founder of our Chinese culture, who gave us these heritages. These two heritages determined that we have a stronger ability to survive than the West. That is why the Chinese race has been able to prosper for so long. We are destined 'not to be buried by either heaven or earth' no matter how severe the natural, man-made, and national disasters. This is our advantage. Take response to war as an example. The reason that the United States remains today is that it has never seen war on its mainland. Once its enemies aim at the mainland, the enemies would have already reached Washington before its congress finishes debating and authorizes the president to declare war. But for us, we don't waste time on these trivial things.
- Maybe you have now come to understand why we recently decided to further promulgate atheism. If we let theology from the West into China and empty us from the inside, if we let all Chinese people listen to God and follow God, who will obediently listen to us and follow us? If the common people don't believe Comrade Hu Jintao is a qualified leader, begin to question his authority, and want to monitor him, if the religious followers in our society question why we are leading God in churches, can our Party continue to rule China??

---

## **China Speaks**

- The first pressing issue facing us is living space. This is the biggest focus of the revitalization of the Chinese race. In my last speech, I said that the fight over basic living resources (including land and ocean) is the source of the vast majority of wars in history. This may change in the information age, but not fundamentally. Our per capita resources are much less than those of Germany's back then. In addition, economic development in the last twenty-plus years had a negative impact, and climates are rapidly changing for the worse. Our resources are in very short supply. The environment is severely polluted, especially that of soil, water, and air. Not only our ability to sustain and develop our race, but even its survival is gravely threatened, to a degree much greater than faced Germany back then.
- Anybody who has been to Western countries knows that their living space is much better than ours. They have forests alongside the highways, while we hardly have any trees by our streets. Their sky is often blue with white clouds, while our sky is covered with a layer of dark haze. Their tap water is clean enough for drinking, while even our ground water is so polluted that it can't be drunk without filtering. They have few people in the streets, and two or three people can occupy a small residential building; in contrast our streets are always crawling with people, and several people have to share one room. Many years ago, there was a book titled Yellow Catastrophes. It said that, due to our following the American style of consumption, our limited resources would no longer support the population and society would collapse once our population reaches 1.3 billion. Now our population has already exceeded this limit, and we are now relying on imports to sustain our nation. It's not that we haven't paid attention to this issue. The Ministry of Land Resources is specialized in this issue.

---

## **China Speaks**

- But we must understand that the term 'living space' (lebensraum) is too closely related to Nazi Germany. The reason we don't want to discuss this too openly is to avoid the West's association of us with Nazi Germany, which could in turn reinforce the view that China is a threat. Therefore, in our emphasis on He Xin's new theory, 'Human Rights are just living rights' we only talk about 'living' but not 'space' so as to avoid using the term 'living space.' From the perspective of history, the reason that China is faced with the issue of living space is because Western countries have developed ahead of Eastern countries. Western countries established colonies all around the world, therefore giving themselves an advantage on the issue of living space. To solve this problem, we must lead the Chinese people outside of China, so that they can develop outside of China.
- Would the United States allow us to go out to gain new living space? First, if the United States is firm in blocking us, it is hard for us to do anything significant to Taiwan and some other countries! Second, even if we could snatch some land from Taiwan, Vietnam, India, or even Japan, how much more living space can we get? Very trivial! Only countries like the United States, Canada and Australia have the vast land to serve our need for mass colonization.

---

## **China Speaks**

- Therefore, solving the 'issue of America' is the key to solving all other issues. First, this makes it possible for us to have many people migrate there and even establish another China under the same leadership of the CCP. America was originally discovered by the ancestors of the yellow race, but Columbus gave credit to the White race. We the descendants of the Chinese nation are ENTITLED to the possession of the land!!! It is historical destiny that China and United States will come into unavoidable confrontation on a narrow path and fight. In the long run, the relationship of China and the United States is one of a life-and-death struggle. Of course, right now it is not the time to openly break up with them yet. Our reform and opening to the outside world still rely on their capital and technology. We still need America. Therefore, we must do everything we can to promote our relationship with America, learn from America in all aspects and use America as an example to reconstruct our country.
- Only by using special means to 'clean up' America will we be able to lead the Chinese people there. Only by using non-destructive weapons that can kill many people will we be able to reserve America for ourselves. There has been rapid development of modern biological technology, and new bio weapons have been invented one after another. Of course we have not been idle; in the past years we have seized the opportunity to master weapons of this kind. We are capable of achieving our purpose of 'cleaning up' America all of a sudden. When Comrade Xiaoping was still with us, the Party Central Committee had the perspicacity to make the right decision not to develop aircraft carrier groups and focused instead on developing lethal weapons that can eliminate mass populations of the enemy country.

---

## **China Speaks**

- Biological weapons are unprecedented in their ruthlessness, but if the Americans do not die then the Chinese have to die. If the Chinese people are strapped to the present land, a total societal collapse is bound to take place. According to the computations of the author of Yellow Peril, more than half of the Chinese will die, and that figure would be more than 800 million people! Just after the liberation, our yellow land supported nearly 500 million people, while today the official figure of the population is more than 1.3 billion. This yellow land has reached the limit of its capacity. One day, who know how soon it will come, the great collapse will occur any time and more than half of the population will have to go.
- It is indeed brutal to kill one or two hundred million Americans. But that is the only path that will secure a Chinese century, a century in which the CCP leads the world. We, as revolutionary humanitarians, do not want deaths, But if history confronts us with a choice between deaths of Chinese and those of Americans, we'd have to pick the latter, as, for us, it is more important to safeguard the lives of the Chinese people and the life of our Party.

## **China Speaks**

- The last problem I want to talk about is of firmly seizing the preparations for military battle. The central committee believes, as long as we resolve the United States problem at one blow, our domestic problems will all be readily solved. Therefore, our military battle preparation appears to aim at Taiwan, but in fact is aimed at the United States, and the preparation is far beyond the scope of attacking aircraft carriers or satellites. Marxism pointed out that violence is the midwife for the birth of the new society. Therefore war is the midwife for the birth of China's century."

## **In Conclusion**

- “No country and no people can be free and ignorant at the same time.”

- Thomas Jefferson

- “The most dangerous man to any government is the man who is able to think things out... without regard to the prevailing superstitions and taboos. Almost inevitably he comes to the conclusion that the government he lives under is dishonest, insane, intolerable.”

- H L Mencken

## **In Summation**

- The “Bird-Flu” is in reality a masterful Cover for a very sinister and devious plan to throw America into Martial Law, suspend the Constitution and Destroy the REPUBLIC. Neer forget that there can be no viral “pandemic” without human design and instigation.
- China is designated to be the agent of instigating the “pandemic” destruction.
- This is but a stepping-stone in the Illuminati/Zionist “Master Plan” of conquest of Planet Earth. WILL IT SUCCEED?
- Is this plan not TREASON in the EXTREME??
